

2016 LESSON FEES

Dear Families,

We have revised our lesson fees and payment information for 2016. We do our best to make lessons as affordable as possible. The actual cost to provide a lesson is \$109. The fees you see below represent only 40% of the actual cost.

Payment is due before services are provided. Please arrange a payment method before your first lesson. We suggest you authorize monthly payments from a credit card, which is quick and easy, or use the "click to pay" service through your monthly bill. You may also make payments through the mail or at Fieldstone in the payment box located in the mounting area.

If you need financial assistance and request a ridership, please fill out a ridership application and return it via email to wspisak@fieldstonefarmtrc.com or fax to (440) 708-0029. Riderships are awarded annually; you must apply each year.

Also, please remember that when you enroll your lesson time is guaranteed. Therefore lesson fees are charged at the monthly rate until you withdraw from the program or take a formal leave of absence. We require a three week notice of withdrawal, which gives us time to fill the spot.

Should you have any questions about payments or a ridership, please contact Winni Spisak, Student Coordinator, at 440.708.0013 x146 or wspisak@fieldstonefarmtrc.com.
