## Welcome!

Summer is a time to explore new things, have fun and make friends. Summer Camp at Fieldstone Farm is an exceptional experience where campers discover their unique talents in week-long day camps throughout the summer. Instructors are specially trained to bring out the best in children and young adults with special needs.

## Camp Themes

In addition to special programming based on the week's theme, campers will ride every day, groom and tack up their horses, clean their tack, learn about horses, work a little, get a little dirty, play and create horse-themed remembrances.
