

2021 LESSON TUITION

Dear Families and Participants,

We are very pleased to inform you that Fieldstone Farm’s Board of Directors has made the decision not to raise tuition for 2021. It is a challenging time in our country and community and we want to make the benefits of our program as accessible as possible to our wonderful participants.

That being said, the actual cost to Fieldstone Farm is \$124 per hour of service; we are able to greatly subsidize the cost to you through the generous support of donors and grant support.

Tuition is calculated so that you only pay for the days we provide you with a lesson. Please arrange a payment method before your first lesson as payment is due before services are provided. We suggest you authorize monthly payments from a credit card, which is quick and easy, or use the “click to pay” service through your monthly bill. All billing occurs on the first of the month. You may also make payments on our website, through the mail or at Fieldstone in the payment box located in the mounting area.

If you need financial assistance and request a Ridership, please fill out an application and return it via email to kflint@fieldstonefarmtrc.com or fax to (440) 708-0029. Riderships are awarded annually, and must be requested each year.

Should you have any questions about payments or a Ridership, please contact Katy Flint, Outreach Specialist, at 440.708.0013 x145 or kflint@fieldstonefarmtrc.com.
