

Bits & Paces

Summer 2022

Veterans Community Day!

Nearly 70 veterans, along with their families and friends gathered together for our first-ever Veterans Community Day. On July 1st, veterans had the opportunity to meet and watch our therapy horses in action, learn about the resources available from various support organizations in attendance and spend time with each other. The gathering was so well received that plans are already underway to make it an annual networking and informational event.

Ukrainian Youth Find a Friend in Thunder

Our miniature horse, Thunder, met with children recently relocated from Ukraine to Cleveland. Thunder helped the children as part of an English language camp in Parma this summer. The children loved Thunder and we hope to continue to develop more programming with our Ukrainian friends this fall.

Regional Wet Lab at Fieldstone

More than 50 farriers and veterinarians from the Midwest and beyond came to Fieldstone Farm in May as part of the National Association of Equine Practitioners Regional Wet Lab, a hands-on training session with our very own therapy horses. They learned about the latest in horse care from some of the country's most notable experts in attendance.

Pictured – Top left: our veterinarian from Cleveland Equine Clinic, Sasha Hill, DVM, who helped orchestrate the event working alongside Sammy Pitman, DVM, who owns one of the country's only podiatry clinics for horses in the country. Top right: Stuart Muir, an experienced farrier who has helped New Zealand's top race and show horses and is now stateside working on clinical therapeutic cases at an equine hospital. Bottom left: Ron Genovese, DVM, who is internationally renowned as an authority on tendon and ligament scanning. Bottom right: Sammy Pitman, DVM, reviews images of Cody's hooves explaining how to treat them.

Students Show Off

Our students enjoyed a wonderful day at the annual Chagrin Valley Hunter and Jumper Classic this year, demonstrating all they have learned as their family and friends cheered them on.

91 Gaitway Graduates to Date!

Congratulations to our 11 newest graduates of Gaitway High School, our largest class ever! A total of 91 students have graduated from our alternative high school since its inception 15 years ago. Pictured here is Sam, one of the 11 graduates.

Summer Camp Fun!

Our campers have been enjoying a fun-filled summer full of trail rides, crafts, therapy dogs, and demonstrations from area riders.

Chefs Unbridled Returns, Sept. 10

We are thrilled to host Chefs Unbridled presented by the Washkewicz Family Foundation this year after a two-year hiatus. Once again, top Cleveland chefs Chris Hodgson and Scott Kuhn will lead an all-star team of chefs for a one-of-a-kind tasting dinner at a new indoor/outdoor renovated location, Landerhaven by Driftwood Hospitality. All proceeds support our programs at Fieldstone Farm.

Enjoy delicious food, a food truck, cocktails, live music, an exclusive bourbon raffle, a wine pull, and beautiful outdoor courtyard areas.

Few tickets remain so no invitations will be mailed. To purchase tickets online, please go to our website, <https://www.fieldstonefarm.org/chefs-unbridled-2/>.

A huge thank you to all of our donors, especially our presenting sponsor, The Washkewicz Family Foundation. Thank you also to our other top sponsors: Celebrity Cruises, Davis Automotive Group, Katy & Jim Donohue, Margo Parr & Tony Drew and Tammie & Kurt Packer. A full list is below. We are grateful for your support.
