

## ***2023 LESSON TUITION***

Dear Families and Participants,

Thank you for your involvement in our program. In 2023, we have increased tuition by only \$1 per class. Additionally, we are simplifying the billing process and charging the same monthly amount for Monday through Friday participation. Saturdays will be slightly lower due to the large number of holiday closures on that day.

The actual cost to Fieldstone Farm is \$176 per lesson. We are able to greatly subsidize the cost to you through the generous support of our donors.

Payment is due at the beginning of the month before services are provided. We suggest you authorize monthly payments from a credit card, which is quick and easy, or set up an account in Procure so that you can pay with a credit card when you receive your invoice. All billing occurs on or near the first of the month. You may also make payments on our website [www.fieldstonefarm.org](http://www.fieldstonefarm.org), through the mail, or at Fieldstone in the payment box located in the mounting area. Participants who have a balance of more than 90 days may be subject to dismissal.

If you need financial assistance in the form of a Ridership, please fill out an application and return it via email to [programs@fieldstonefarm.org](mailto:programs@fieldstonefarm.org) or fax to (440) 708-0029. Riderships are awarded annually and must be requested each year.

Should you have any questions about payments or a Ridership, please email [programs@fieldstonefarm.org](mailto:programs@fieldstonefarm.org)
