

2026 LESSON TUITION

Dear Families and Participants,

Thank you for your involvement in our program. Tuition for 2026 represents a nominal monthly increase. The actual cost to Fieldstone Farm is \$180 per lesson. We are able to greatly subsidize the cost to you through the generous support of our donors.

Payment is due at the beginning of the month before services are provided. We require all participants/families to have their credit card information on file for automatic charging. All billing occurs on or near the first of the month. Participants who have a balance of more than 90 days may be subject to dismissal.

If you need financial assistance in the form of a Ridership, please fill out an application and return it via email to programs@fieldstonefarm.org or fax to (440) 708-0029. Riderships are awarded annually and must be requested each year.

Should you have any questions about payments or a Ridership, please email programs@fieldstonefarm.org
